Reč predsednika

Rugbi liga je sport za koji su ljudi sa naših prostora stvoreni i bilo je samo pitanje dana kada će se vratiti u Srbiju, nakon dešavanja koja su ga istisnula sa mape sportova u našoj zemlji, a koja nemaju veze sa sportom.

To se desilo 2001. godine i od tada uz fanatičan rad ljudi koji ga vode i ogroman talenat i rad naših igrača nižemo samo uspehe. Usredsređeni smo na razvoj domaće lige i rad sa mlađim kategorijama, a rezultat je taj da je naša reprezentacija osvojila Šampionat Evrope B 2014/2015, ostavivši iza sebe Rusiju, Italiju i Ukrajinu.

Turneja u Australiji, zemlji rugbi lige, je korak dalje u razvoju našeg sporta i korak bliže učešću na Prvenstvu Sveta. Zbog toga smo početkom godine angažovali i vrhunskog trenera kakav je Brajan Smit.

Word of the President

Rugby League is a sport for which our people are created, and it was only a matter of time when it would be returned to Serbia after the events that pushed it aside and aren't related to sport at all.

This happened in 2001 and since then, with the help of the people who run it and along with amazing talent and hard work of our players, we are on the road of success. We are focused on the development of the domestic competitions and work with youth, and the result is that our team won the European Championship B 2014/2015, leaving behind big nations like Russia, Italy and Ukraine.

The tour in Australia, the country of rugby league, is a step forward in the development of our sport and a step closer to participation in the World Cup. To that end, SRL have appointed current Wakefield Trinity Wildcats and renowned, experienced Australian coach Brian Smith as a consultant.

Početak ragbija 13 u Srbiji

Srbija je jedna od retkih zemalja u svetu koja se može pohvaliti da ima dugu tradiciju igranja ragbi lige. Početak je vezan za pedesete godine prošloga veka, kada je ostvarena saradnja sa Francuskom ragbi 13 federacijom. Zahvaljujući Draganu Maršićaninu i Miletu Erceganu, u to vreme čelnim ljudima Saveza sportova Jugoslavije, 26.09.1953. godine na stadionu JNA pred oko 8.000 gledalaca odigrana je promotivna utakmica između dve francuske selekcije. Ubrzo nakon ove promotivne utakmice, u Beogradu je 01.11.1953. godine osnovan prvi klub u Jugoslaviji — Ragbi klub Partizan.

Very beginning of rugby league in Serbia

Serbia is one of the few countries in the World that can boast that it has a long tradition of playing rugby league. The beginning is tied to the fifties of the XX century, when it cooperated with the French Rugby League Federation. Thanks to Dragan Marsicanin and Mile Ercegan, at that time, the top officials of the Sports Association of Yugoslavia, on 26th September 1953 the JNA stadium in front of around 8,000 spectators two French selections played first ever rugby league match in Yugoslavia. Shortly after this promo match, in Belgrade on 1st November 1953 was established the first club in the country — Rugby Club Partizan .
